School Overview

Kawungan State School was established in 1991. It became an Independent Public School in 2017. It is situated in the centre of the rapidly growing tourist destination of Hervey Bay. This multifaceted campus consists of a Primary School, Prep, Special Education Program and an Early Childhood Developmental Program. A carefully monitored framework for intervention processes supports the needs of all students. The school offers Chinese language study in Years 5 and 6. The school excels in the Music realm and has won many regional awards for its outstanding choirs and orchestras.

The school runs many additional programs that target the needs of children growing in a complex society, including our Koala Joeys, Pre Prep, iCan Play, Science, Technology, Engineering, Arts & Maths Room and Kawungan Care programs. Children attending the school come from a wide range of socio-economic backgrounds. The delivery of a quality Australian curriculum is a major focus of the school. Outstanding teaching and learning practices support the staff and students as they strive to help every student achieve excellence.

The school's Explicit Improvement Agenda targets improvement in reading, numeracy and attendance. The school has a strong record of recruiting excellent teachers who stay for the long term.

Principal's Foreword

Introduction

Kawungan State School was established in 1991 and sits in spacious, attractive and well-maintained grounds. The school is fortunate in being able to provide modern classrooms with up-to-date resources and facilities. Construction of a school resource centre and hall was completed in early 2011. A large storage facility was built in 2015 to accommodate the stage, choir stands and chairs. These buildings were great additions to the Kawungan State

School community and will continue to enhance learning opportunities for all students throughout the 21st century.

The delivery of a quality curriculum is a driving force at Kawungan State School and is achieved through the foundation of a developmental approach to literacy, numeracy, thinking and research skills. Students are provided with quality learning experiences in all facets of the curriculum, which is further enhanced by other educational activities such as sport, music, camps, environmental awareness and sustainability.

Information technology is an integrated learning tool that sits within our quality curriculum. Students are provided with access to the world beyond the classroom walls through the internet, email and various computer programs providing for inclusion and manipulation of digital imagery.

Kawungan State School is proud of its productive partnerships with parents/caregivers and the wider community. These partnerships reinforce our supportive school environment where all members of the Kawungan community work and learn together in the spirit of life-long learning in a safe, happy, courteous and friendly environment. It is the purpose of this report to outline both the progress and educational activity that occurred during the 2015 school year.

The spirit of the school is embodied in its vision statement:
“Helping Each Other Achieve Excellence”

School Progress towards its goals in 2016

Strategy 1: Reading

- ✓ Deliver oral language activities that target **phonological and phonemic awareness**
- ✓ Implement screeners to identify those students requiring assistance with phonological awareness and letter/ sound relationships (phonics) and deliver programs to address these – Reading Link, Daily Rapid Reading
- ✓ **Continue to embed a balanced reading program**
- ✓ Embed a shared understanding and pedagogical practice of the 5 reading procedures i.e. **Reading Aloud to students; 2. Modelled Reading; 3. Shared Reading; 4. Guided Reading; 5. Independent Reading.**
- ✓ Align reading framework to **Pearson’s Gradual Release of Responsibility Model** (Refer Framework for the Teaching of Reading)
- ✓ Embed **comprehension strategies** e.g. Sheena Cameron strategies into the reading procedures
- ✓ Use the reading procedures as a focus for Instructional Leadership to build teacher capacity through **observation and feedback**
- ✓ Continue the use of a variety of quality teaching processes and resources to support the development of the literacy skill of **inference** e.g.: Cars and Stars; QAR, Sheena Cameron Comprehension Strategies, Daily Rapid Reading
- ✓ Complete a thorough interrogation of NAPLAN data - 2008-2016 in preparation for 2017 NAPLAN
- ✓ Identify and isolate a small number of developmental areas from NAPLAN analysis to help focus warm up activities
- ✓ Ensure a variety of processes are in place to maximize the number of students in the U2B (process to begin in Prep)
- ✓ Implement strategies and programs to cater for the ability levels and optimal learning for these students (differentiated teaching, UNSW testing, Reading Link, Intensive Teach, Automaticity)

- ✓ Provide challenging learning experiences that further develop reading expertise
- ✓ Embed **differentiation** strategies across all year levels using diagnostic assessment processes and ACARA recommendations
- ✓ Regularly analyse trends in attendance data at the whole school, class and individual student level.
- ✓ Communicate and promote student attendance rates in the school and the wider community
- ✓ Implement both proactive and reactive strategies to increase student attendance

Strategy 2: Numeracy

- ✓ Embed **Numeracy Rich Routines** that address key aspects of number as identified through NAPLAN and internal data sources eg PAT M.
- ✓ With Regional Head of Department support and cluster opportunities **Best Practice Networks**, develop best practice pedagogy and greater teacher knowledge in the teaching of Mathematics
- ✓ Ensure a range and balance of assessment tools are being used (Diagnostic, formative and summative) to support quality teaching and reporting.
- ✓ Build teacher capacity to recognize and remediate key misconceptions through the Numeracy Rich Routines that align to C2C content, Number lines, Part/Whole relationships, Reasoning and Estimation
- ✓ Practice and deepen number facts
- ✓ Complete a thorough interrogation of NAPLAN data - 2015 / 2016 in preparation for 2017 NAPLAN
- ✓ Identify and isolate a small number of developmental areas from NAPLAN analysis to help focus activities in reading
- ✓ Ensure a variety of processes are in place to maximize the number of students in the U2B (process to begin in Prep)
- ✓ Implement strategies and programs to cater for the ability levels and optimal learning for these students (differentiated teaching, UNSW testing, Master Maths)
- ✓ Provide challenging learning experiences that further develop numeracy expertise
- ✓ Embed **differentiation** strategies across all year levels using diagnostic assessment processes and ACARA recommendations
- ✓ Regularly analyse trends in attendance data at the whole school, class and individual student level.
- ✓ Communicate and promote student attendance rates in the wider community
- ✓ Implement both proactive and reactive strategies to increase student attendance

Future Outlook

2017 Priorities:

- ✓ Continued implementation of a balanced Reading program with particular focus on Guided Reading.
- ✓ Continue a consistent approach to and sharp focus on Reading and Writing aligned with Sheena Cameron's strategies.
- ✓ Continued development of strategies to improve practice around place value.
- ✓ Continue the implementation of the pedagogical framework - Marzano "The Art and Science of Teaching".
- ✓ Data focus on key targets set for NAPLAN for students relating to U2B and L2B in Yrs 3 and Yr 5 with associated strategies. All teachers (P-6) working towards these targets, focussing on supportive strategies.
- ✓ Mentoring program for beginning teachers
- ✓ Create a number of 'device' classes in Year 4-6 with laptops and/or iPads.
- ✓ Offer Koala Joeys to school community

- ✓ Gross motor skills program through iCan Play.
- ✓ Further development of our ICT platform including upgrades to band width and wireless access

How Information and Communication Technologies are used to Assist Learning

Kawungan State School uses a wide range of ICTs to enhance student learning, not only integrating ICTs into the curriculum, but making ICTs integral to learning. Staff at Kawungan State School endeavour to make this typical of their teaching practice and this is used by all teaching staff including classroom teachers, teachers from Special Education and STLaNs. Teachers have a range of ICTs accessible to their class as well as in an ICTs room. Some of these include:

- ✓ Laptop computers in mobile trolleys (COWs)
- ✓ MP3 Players
- ✓ iPad tablets
- ✓ Digital Still and Video Cameras
- ✓ Data Projectors
- ✓ Interactive Whiteboards

Classroom teachers are using many forms of ICTs from Prep through to Year 6. Students are using the tools from the Learning Place to connect beyond the classroom. Through project rooms in the Learning Place, students are using blogs, forums, polls and chats to extend their knowledge on a range of topics. Learning Objects are also being accessed and used from the Learning Place and electronic Teaching collection (eTc). These are used both individually and as a whole class learning experience. Interactive whiteboards are now in use in over 25% of classrooms. In other classrooms, teachers have access to wireless

keyboard and mouse sets that can be used in conjunction with a data projector to make technology interactive and engaging for the whole class. Students are able to utilise these support higher-order thinking tasks. In 2016, six 1:1 device classes operated in Year4, 5 and 6, utilising laptop computers and iPads. Our wireless network is being enhanced to spread across all areas of the school in 2017.

Social Climate

Overview

As a result of the above diverse and personal support and communication structure, it is our belief that our school produces and projects a safe, supportive and well-disciplined environment. When reflecting on the 2016 parent, student and staff satisfaction surveys, the following results reinforce this belief.

Parent and community engagement

Kawungan State School continues to build a strong reputation that reinforces the concept of excellence in all areas. Part of Kawungan State School's advocacy has been the strong development of communication structures within the Kawungan community. The focus on building strong relationships has been central to our philosophy centred around a safe, happy, courteous and friendly environment. This reputation has been validated through the various School Opinion Surveys over recent years.

The 2016 School Opinion Survey has indicated that parents have been extremely satisfied in all areas of school operation. The school operates a busy social media page and digital sign that keeps the school community informed of events on a daily basis. The school scores above the State on most items.

Processes used within the school to enhance these positive results have included:

- ✓ continued positive relationship with a very supportive P&C
- ✓ the production of a comprehensive and informative weekly newsletter
- ✓ communication via a digital sign and social media has further enhanced our school/community relationship
- ✓ individual contact with parents regarding positive and developmental student issues
- ✓ regular teacher interviews concerning student progress

- ✓ invitations to social, cultural and sporting activities
- ✓ invitations to celebratory classroom activities
- ✓ P&C parent café
- ✓ Celebration of special days including World Teacher’s Day, NAIDOC Day, Volunteers Day
- ✓ Volunteers morning tea
- ✓ Articles shared in local press

At Kawungan State School, the appropriate layer of support is identified through analysis of student data and ongoing monitoring of student progress. Students’ data and progress is presented at Social Justice meetings. This ensures the identification of students’ educational needs and provision of reasonable adjustments. The planning process involves collaboration and consultation with parents, the student (where appropriate), school curriculum leaders, classroom teachers and other relevant specialists. Collaborative planning brings these participants together as a team to consider the student’s current level of performance and to determine the student’s educational needs and future learning priorities.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships. Our programs focus on personal safety and awareness, including identifying and responding to abuse and violence and developing students’ knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	118	76	86
Long Suspensions – 6 to 20 days	0	2	3
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school’s environmental footprint

The following strategies are in place at Kawungan State School to help to reduce our environmental footprint. We continue to look for ways to help the environment:

- ✓ Installed solar panels to save on electricity
- ✓ Installed dual flush on toilets
- ✓ Fix dripping taps

- ✓ Use recycled paper or paper from renewable forests where possible
- ✓ Aim to use both sides of a piece of paper
- ✓ Reduce the amount of waste from the school canteen
- ✓ Turn all lights off when not needed
- ✓ Only heat or cool rooms to a moderate level to conserve energy
- ✓ Keep air conditioners clean and regularly serviced
- ✓ Recycle computer and photocopier toner kits
- ✓ Recycle old computers and monitors
- ✓ Installed a printing management system to reduce excess printing
- ✓ Only photocopy the required number of pages
- ✓ Only use air conditioning when it is significantly higher than 25 degrees outside
- ✓ Turn off computer screens when not being

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	216,034	8,246
2014-2015	212,244	4,542
2015-2016	189,599	8,068

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism. Parents of non-attending students are contacted daily to ensure the students safety.

Rolls are marked twice daily using third party software (IdAttend) that uploads to OneSchool. All absences are referred to parents via text message on a daily basis. Parents of students with unexplained absences are contacted by both classroom teachers and deputy principals, and reasons for absence are requested. Strategies to assist parents are shared by school staff.

Support personnel such as Guidance Officer, IEW and School Chaplain are enlisted to assist where appropriate. Patterns of attendance are monitored and compulsory attendance

strategies are implemented where necessary. This has included contacting the Police Service as well as the Department of Children's Services, where appropriate. Proactive strategies have included newsletter articles relating to the importance of attendance as well as regular student reminders on parade.

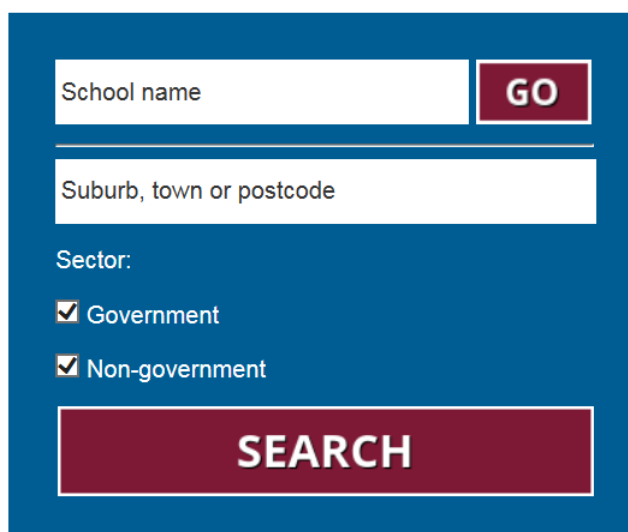

Flexible Arrangements are in place for some students who do not currently attend full time. Exemptions are completed for students who are going to be absent from school for significant periods of time.

Conclusion

2016 has been an outstanding year for the school. We continue to build relationships across the educational and business community of the Fraser Coast as active members of the Fraser Coast Education Alliance and participation with the Hervey Bay Chamber of Commerce.
